68 Years of ACTION

Annual meeting

For nearly 68 years, ACTION-Housing has been at the forefront of efforts to provide safe, affordable, and quality housing to our community. The annual meeting has become a cornerstone event that unites stakeholders from various sectors—nonprofits, government agencies, and the private sector—who share a commitment to addressing the region’s housing needs.

The celebration is an opportunity to reconnect as a community and reinforce our mission to create inclusive communities where everyone can access stable and affordable housing. We are excited to continue building on our legacy and engage with our valued partners at the event.

Message from CEO

Our region is currently facing a housing crisis that cannot be ignored.

With a significant shortage of affordable housing options, we are witnessing an increase in homelessness. Many people are being forced to make impossible choices between basic necessities and shelter. This crisis impacts not only individuals and families but also the vibrancy and quality of life within our community.

Lena Andrews

CEO Of ACTION-Housing

Join us.

As the region's largest nonprofit affordable housing developer, ACTION-Housing is a partner in providing quality housing that revitalizes neighborhoods. Our work not only uplifts individuals and families, it also strengthens communities, making them more vibrant and inclusive places to live.

As part of its commitment to this mission, ACTION-Housing is hosting its annual meeting on Friday, May 16, 2025. This event brings together community leaders who are committed to building a thriving and inclusive Pittsburgh, where stable and affordable housing is a fundamental human right.

I invite you to join us and consider sponsoring this meaningful event. Every contribution helps ACTION-Housing continue its vital work.

Your support demonstrates your commitment to creating a stable future for those in need of affordable housing and supportive services. It is an opportunity that transforms lives.

Solving the housing crisis will require all of us. Thank you for considering the opportunity to join local leaders in supporting ACTION-Housing. Please review the sponsorship options outlined in the packet and let us know which level would be a good fit to showcase your organization as a sponsor.

Together, we can ensure that everyone has a place to call home.

Our Approach is Unique

We do more than build affordable housing.

ACTION-Housing takes a holistic approach; our programs develop real estate and provide wraparound services that transform lives and revitalize communities.

Our Programs

- Real Estate Development
- MyPlace Youth Programs
- Supportive Services
- Weatherization
- Housing Stabilization

Our Mission

To empower people to build more secure and self-sufficient lives through the provision of decent, affordable housing and essential supportive services.

Our Impact

We serve upwards of **10,000** people each year.

We pride ourselves on helping our clients achieve more self-sufficient lives. Our programs focus on vulnerable populations that are often underserved by traditional services, including senior citizens, veterans, individuals with physical and intellectual disabilities, and youths who have aged out of foster care.

Whether it be helping to find an affordable place to live, preventing foreclosure on a home, performing weatherization work for low-income households, or simply checking in with a client to see how they are doing, people are the most important part of our work.

We provide **2,000 units** of affordable housing

We provide over 2,000 units of affordable housing and own 43 properties and counting. Building on our success, we are on track to develop an additional 361 units of housing with a total development cost of \$128 million by 2028.

The recently completed project, Flats on Forward, has revitalized a vacant corridor, activating a vital intersection in Squirrel Hill. This \$25 million development includes affordable housing and commercial space, ensuring economic diversity and enhancing the neighborhood with new real estate.

Event Details

The luncheon will be held in the iconic Omni William Penn Hotel ballroom. Enjoy a chef-prepared plated lunch while listening to a keynote speaker. Sponsors receive priority seating with options to purchase tables to seat your organization together or purchase individual seats.
